We are now Refinitiv, formerly the Financial and Risk business of Thomson Reuters. We’ve set a bold course for the future – both ours and yours – and are introducing our new brand to the world.

As our brand migration will be gradual, you will see traces of our past through documentation, videos, and digital platforms.

Thank you for joining us on our brand journey.
PFI, now on Thomson Reuters Eikon

THE FULL EDITORIAL SUITE, NOW FULLY ACCESSIBLE

PFI AND EIKON, A POWERFUL COMBINATION
Access the leading source of energy and infrastructure projects via the industry’s most intuitive financial platform
A powerful combination gives you a powerful edge.

PFI is the leading source of global energy and infrastructure finance news, data and tools. Published every two weeks and updated daily online, it delivers market analysis on the entire lifecycles of deals, from the initial rumors through to post-completion.

And now the full scope of PFI editorial content is available on Thomson Reuters Eikon. So it’s easier to view, search and use in your investment strategies.

In a single desktop or mobile location, you have easy access to all the news, financial content, and analysis you need to make the right moves at the right time.

In addition to pipeline information on all deals yet to be financed, a subscription to PFI also gives you access to global industry coverage, sector analysis, data archive and deal analysis.

Intuitive alerting capabilities will keep you on top of the day’s top stories in global project finance.
