

We are now Refinitiv, formerly the Financial and Risk business of Thomson Reuters. We've set a bold course for the future – both ours and yours – and are introducing our new brand to the world.

As our brand migration will be gradual, you will see traces of our past through documentation, videos, and digital platforms.

Thank you for joining us on our brand journey.

REFINITIVTM 

The Refinitiv logo, featuring the word 'REFINITIV' in a bold, black, sans-serif font, followed by a trademark symbol (TM) and a blue graphic symbol. The symbol is a stylized 'R' formed by two perpendicular lines of equal length, with the top-right corner cut off at a 45-degree angle.

ABOUT S&P GLOBAL PLATTS

At S&P Global Platts, we provide the insights; you make better informed trading and business decisions with confidence. We're the leading independent provider of information and benchmark prices for the commodities and energy markets. Customers in over 150 countries look to our expertise in news, pricing and analytics to deliver greater transparency and efficiency to markets. S&P Global Platts coverage includes oil and gas, power, petrochemicals, metals, agriculture and shipping.

S&P Global Platts is a division of S&P Global (NYSE: SPGI), which provides essential intelligence for individuals, companies and governments to make decisions with confidence. For more information, visit www.platts.com

ABOUT DATASCOPE SELECT

Thomson Reuters DataScope Select is a strategic data delivery platform for non-streaming content globally. The platform is a full cross-asset offering with intelligently linked data for all Thomson Reuters DataScope content, including reference data, corporate actions, legal entity data, end-of-day/intraday pricing and evaluated pricing services. It offers three flexible data delivery interfaces – browser based, FTP and a Web service API.

HOW TO ACCESS?

The content will be supported in intraday, composite, end-of-day, and Timeseries extractions, with the option to access and download the daily correction and weekend pricing files. S&P Global Platts market data is fee liable. Please contact your Thomson Reuters Account Manager for access and further information.

ABOUT THOMSON REUTERS EIKON

Thomson Reuters Eikon™ delivers the complete package for successful commodity trading and market analysis, giving you everything you need in one place. Benefit from a combination that gives you unique insight in the metals, energy and agriculture markets – more relevant information in more usable forms, more quickly – delivered via the industry's most intuitive and flexible user interface.

HOW TO ACCESS?

To access S&P Global Platts data on your Thomson Reuters desktop, simply type PLATTS/INFO into a quote object or browser (F4) and press ENTER.

For more information on Platts services available on your Thomson Reuters desktop, please contact your local Thomson Reuters Specialist.
