

Deals Data

Refinitiv is a global leader in investment banking transaction data for mergers & acquisitions (M&A) and New Issues Deal coverage – nearly 3.3 million transactions announced in 225 nations since the 1970s.

Refinitiv's Deals data allows you to monitor deal flow, identify market trends and gain insight into your competitive positioning within any region, asset class, or industry vertical at highly flexible levels of granularity. Our industry-leading league table rankings of investment banks and law firms published by dozens of leading media outlets worldwide leverage our global news and sourcing capabilities along with our strong relationships with the deal-making community to ensure data accuracy and completeness.

Advantage

Refinitiv is widely regarded as the benchmark in the financial industry for transactional information, market share reporting and volume analysis. Dozens of major business publications regularly publish Refinitiv league tables and support their reporting with insights from Refinitiv.

Coverage

- **Mergers & Acquisitions** – 1.1 million + global M&A transactions since 1964, including nearly 350,000 U.S. target and nearly 750,000 non-U.S. target transactions

- **Equity Capital Markets** – Over 340,000 equity capital markets new issues including IPOs, follow-ons, block trades and convertible bonds
- **Syndicated Loans** – Over 312,000 global corporate loan transactions since 1982
- **Public Financings** – Nearly 575,000 U.S. municipal new issues and nearly 15,000 Canadian and international public financings
- **Project Finance** – Nearly 25,000 worldwide projects announced and financed on a limited or non-recourse basis
- **Joint Ventures and Repurchases** – Nearly 160,000 worldwide joint ventures and strategic alliances; nearly 25,000 U.S. repurchase programs
- **Corporate Takeover Defense** – Takeover Defense profiles of over 11,000 global public companies, including details of nearly 12,500 shareholder rights-plan-adoptions and amendments
- **Shareholder Activism** – Detailed histories of nearly 4,000 dissident shareholder campaigns, including proxy fights and public shareholder proposals, with emphasis on campaigns launched by the most prominent activist

Sources

Refinitiv's comprehensive Deals content is sourced through direct deal submissions from global banking and legal contributors coupled with extensive research performed by a global team of dedicated research analysts across a broad range of sources, including regulatory filings, corporate statements, media and pricing wires to attain the most robust information pertinent to a transaction.

Value-add and Media coverage

Refinitiv leads the market in producing league tables that reflect the marketplace, collaborating closely with global deal practitioners to set league table criteria.

Our quarterly investment banking market reviews are distributed to the dealmaking community and featured in leading global financial publications, including The Financial Times, The New York Times DealBook, The Wall Street Journal, The Globe and Mail and South China Morning Post.

Advantage

Refinitiv Deals content is used to monitor deal flow, identify trends, analyze market share, monitor banking relationships and competitors, structure new deals and search for comparable transactions.

Quality

More than 2,500 pre-product quality control validations occur at the point of data entry, with over 1,000 intra-day and nightly quality control checks that validate the data before reaching clients.

Timelines

M&A, Bonds, Equity, Syndicated Loans and Public Financing content is updated hourly.
