

# Eikon mobile user guide

Access Eikon anywhere, anytime and from any mobile device

With Eikon's iPhone and Android mobile apps, you're not tied to a single workspace. Automatically synchronized with your desktop, the mobile Eikon experience means you stay connected to all the data, news and financial content you need – whether you're in or out of the office.

## Supported platforms

Access Eikon from any mobile phone or tablet, including:

- iOS (phone and tablet)
- Android (phone and tablet)

## Rich functionality, everywhere you go

View your lists, news searches, alerts, pricing data, Eikon Messenger conversations and more, and enjoy the same custom experience wherever and however you access data. All the power, insight and content that Eikon delivers to your desktop is available on your mobile devices:

### News

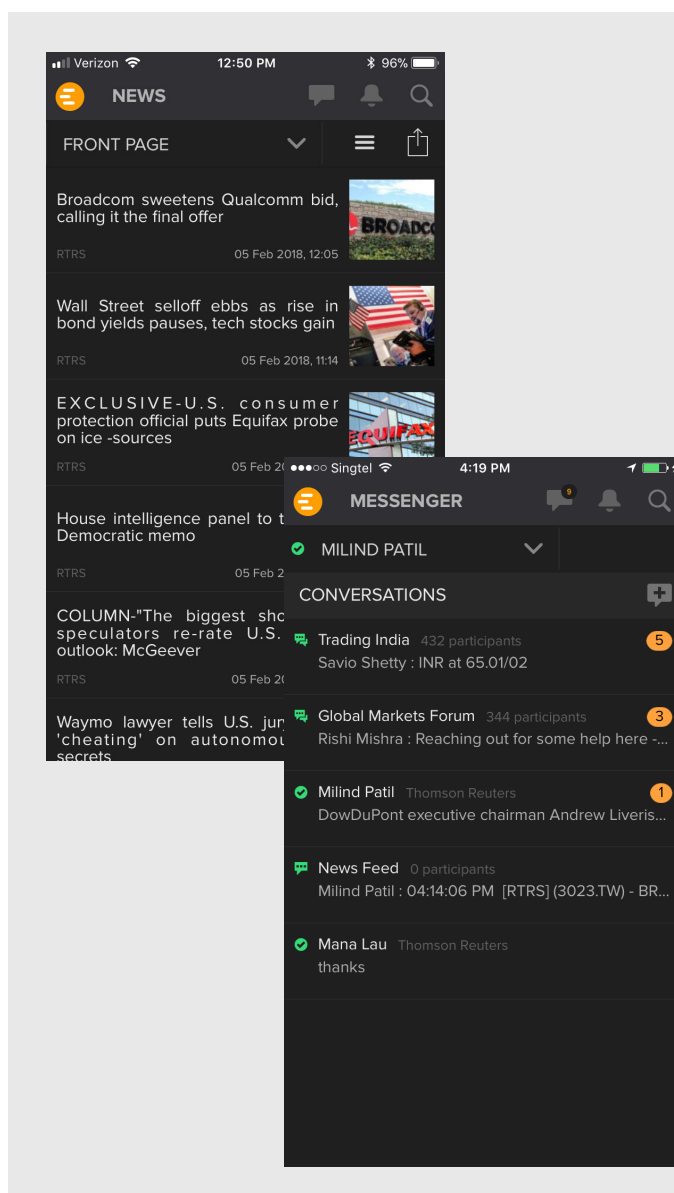

- Real-time, breaking and historical news for Top News categories from the most trusted brand in journalism
- Access Saved searches and create a customized My News Feed

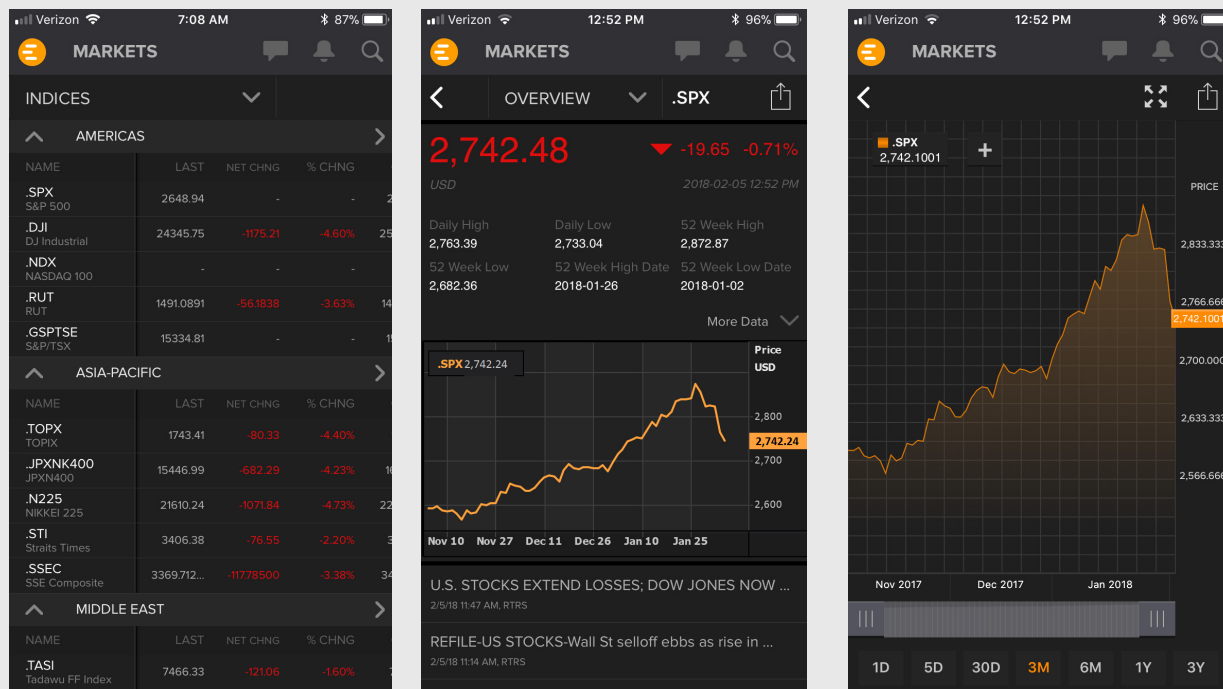

### Market overviews

- Global market data overview for all major asset types

### Lists and Portfolios

- Click on the Helios icon,  and select your coverage under List & Portfolios
- View and edit a Quote List or a Monitor List and view a Portfolio
- Pin a list to the Dashboard for easy access
- Access Portfolio Dashboard view

### Single security view

- Access market data, news and charts for various security types such as bonds, equities, currencies, funds and rates
- Company research, events, filings, fundamentals and estimates, deals, etc.

### Alerts

- Receive market data and news alerts

### Charting

- Charting capabilities viewable for different time ranges

## How do I access Eikon Mobile

Download the Universal App for iPhone® and iPad® from the Apple® App Store®. For Android™, go to the Google Play™ App Store.

Existing Eikon customers can download the app at no additional charge from the app store with an Eikon ID permissioned for mobile access.

Eikon Messenger stand-alone users can also download the free mobile app and log in with their Messenger credentials to access delayed news and content, including Eikon Messenger.

The Google Chrome™ extension is available for install from the Google Chrome Web Store: simply type **EIKON** and click on the +FREE button to install.

iPhone, iPad, Apple, and App Store are trademarks of Apple Inc., registered in the U.S. and other countries.

Visit [refinitiv.com](http://refinitiv.com)

### Search

- Search for millions of securities
- Instant feedback in the form of suggestions as text is typed into the search box

### League tables

- M&A, Equity and Bond league tables
