

PROFESSIONAL SERVICES

Refinitiv® On Demand

Get bespoke industry-leading financial reports and analysis, direct to your inbox and within hours of placing your order.

Refinitiv On Demand is a fast, cost-effective way to purchase individual reports and analysis from Refinitiv's team of experts. It includes access to an outstanding range of content sets, including over 46 million research reports from over 1,800 sources, plus M&A content on over 1.1 million deals.

About Professional Services

Professional Services is a global in-house team of business and technical consultants, engineers and project managers who deliver human and technical expertise to help you maximise the value of Refinitiv products and services.

Our group has a deep knowledge and understanding of Refinitiv's data and our clients' infrastructure. This enables us to support your workflow needs. Professional Services packages aim to reduce the effort, timelines and costs or disruption to your business.

Key solutions and capabilities

The Professional Services team will help you obtain hard-to-find financial data in a matter of hours. Reports and analysis can be customised according to your needs.

Ownership analytics

Complete shareholder lists of publicly traded common and preferred stocks; warrants and units; as well as ETFs and convertible debt.

Deals and private equity data

Leading information on new issues (ECM and DCM): M&A and syndicated loans; as well as private equity, project finance, poison pills and more.

Custom feeds

Customised feeds for big data dumps tailored to suit clients' requirements including, but not limited to, formats, data fields, time ranges, etc... created and updated by our team of in-house developers.
