REFINITIV® DIGEST

Amplifying the signal above the noise

Introducing Refinitiv Digest, a customized digest of the most relevant news, research, data and information from across Eikon.

With exclusive access to Reuters, the world’s leading provider of news and financial insight, as well as over 10,000 additional pertinent sources, your Refinitiv Digest covers the markets, companies and regions that matter most to you in a concise and easily digestible format, available in real time within Eikon and as a snapshot via email at scheduled times of your choosing.

Leveraging a unique combination of artificial intelligence and editorial curation, Refinitiv Digest distills the most important news into a single view that amplifies the signal, not the noise, to inform your decisions and enable your actions.

Quick links provide easy access to the full story on Eikon desktop, Web or mobile.

Your Refinitiv Digest content is available in real time within the Top News app in Eikon. If you have multiple digests set up, a drop-down menu will appear where you will be able to toggle between them.
Setting up your Refinitiv Digest

Setting up your personal Refinitiv Digest only takes a few moments and is easily managed via the Alerts app in Eikon. You can create as many customized digests as you wish.

1. Access the Alerts app from the Eikon menu bar.
2. Select Create New Alert.
3. Select Refinitiv Digest.
4. Choose the content you’d like to include in your digest while making customizations.
5. Decide when you’d like to receive your digest.
6. Enter a name for the digest along with an expiry date.

Any news and research language filters applied through the main Eikon Settings will also apply to content in your Refinitiv Digest, provided these are set before creating the digest.

Manage your existing Refinitiv Digest subscriptions

1. Click Alert Manager.
2. Roll over on the subscription you wish to suspend, amend or delete.
