

We are now Refinitiv, formerly the Financial and Risk business of Thomson Reuters. We've set a bold course for the future – both ours and yours – and are introducing our new brand to the world.

As our brand migration will be gradual, you will see traces of our past through documentation, videos, and digital platforms.

Thank you for joining us on our brand journey.

REFINITIV[™]

The Refinitiv logo, featuring the word 'REFINITIV' in a bold, black, sans-serif font, followed by a trademark symbol (™). To the right of the text is a blue L-shaped graphic, similar to the one in the top left, but with a diagonal line extending from the bottom-right corner of the 'L'.

QUICK START GUIDE

EIKON FOR MICROSOFT OUTLOOK

The Microsoft® Outlook® productivity tool allows you to effortlessly manage email alert content received from Eikon. By selecting Eikon as your main delivery mechanism for all your market data, news and broker research needs, you have complete control on what, when and how you are alerted; all delivered in consistently formatted lightweight emails from a single source.
