

REFINITIV[®] NEWSCASTS

Reuters programming grid

Dynamic multimedia programming

Refinitiv Newscasts provides best-in-class financial video content from Reuters Editorial. Our content is optimized for the online audience, with the majority of videos between three to eight minutes in length. We provide approximately 20 videos per day. We can also easily onboard and distribute additional content sets.

Our coverage includes:

- Daily scheduled market updates
- Breaking economic and political news
- Interviews with CEOs, fund managers and market experts
- Analysis and trade ideas
- Reuters Newsmakers
- Live special event coverage

ASIA INSIGHT – REUTERS

Asia, 4:30 AM | 4 minutes

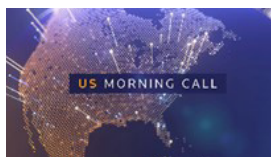

A roundup of Asia markets, business and economic news with a focus on a different market each day, covering key news and top stories from the region.

REUTERS TODAY – REUTERS

Europe, 5:30 AM | 3-5 minutes

A European morning update covering top business stories and breaking economic news affecting UK and European markets.

U.S. MORNING CALL – REUTERS

U.S., 8:30 AM | 4 minutes

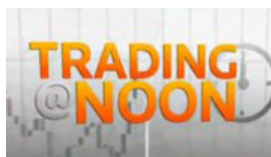

The first look at the breaking economy and markets news from the United States, pre-market action, summary of the key events and trends expected to dominate the market in the coming trading session.
